Student Development Portfolio—Report of Experiential Learning Activities

The Student Development Portfolio (SDP) is a university-wide electronic platform for capturing and presenting students’ Experiential Learning Activities (ELA) systematically under the whole-person development framework namely I-CARE. Its major functions include the overview and on-line enrolment of ELA, as well as the production of ELA Report. All regular full-time undergraduate students can login the system with their Student ID and CWEM Password on http://www.cuhk.edu.hk/sdp.

If you would like to obtain the official copy of ELA Report which is issued by the University, you may submit your application via SDP. Fee-paying and collection of this report would be done in the Student Services Centre of the Office of Student Affairs at 1/F, Benjamin Franklin Centre. You are also allowed, at any time, to generate the unofficial copy of ELA Report directly from the SDP.
