Completion of International House (I-House) Block 3

In coping with the increasing demand of student hostel places under the 334 academic reform, an additional block of International House (I-House), named I-House Block 3, will be completed in this August.

Situated at the Village Path near the Mong Man Wai Building of the Central Campus, the I-House Block 3 provides 71 shared rooms comprising 181 hostel places. The good mix of local, mainland and international exchange students nurtures cultural diversity and makes I-House Block 3 an unique and ideal place for students to share, live and learn.
